A GLIMPSE INTO WHAT IT'S LIKE TO BE A
BRITTANY DUNBAR PHOTOGRAPHY COUPLE

GET TO KNOW ME

I'm a newlywed myself! My partner and I got married in September 2022 and reside in Historic Ellicott City with our pit-mix, Maggie! If you follow me on Instagram you'll see Mags pop up in my stories weekly!

I have dual degrees in Business & Art from Washington College and my MBA from Loyola.

I started my career in technology and after experiencing a life altering event, decided to quit my comfy corporate job and pursue my passion!

When I don't have a camera in my hand you can find me on long walks with my dog, eating pizza, traveling, coaching girls running, advocating for human rights or hanging out with my family and friends.

I'M BRITTANY, BUT MOST OF MY FRIENDS CALL ME BRITT.

I'm here to give you
magazine worthy photos
that capture all the feels.

GET TO KNOW LAURA

Laura and I met when we were teenagers working for an outdoor summer camp. We instantly clicked and have been close ever since. We both went on to major in art in college and even when we lived on different coasts, we still maintained our friendship. Laura made her way back to Maryland a few years ago and has been an official member of the BDP team since 2020.

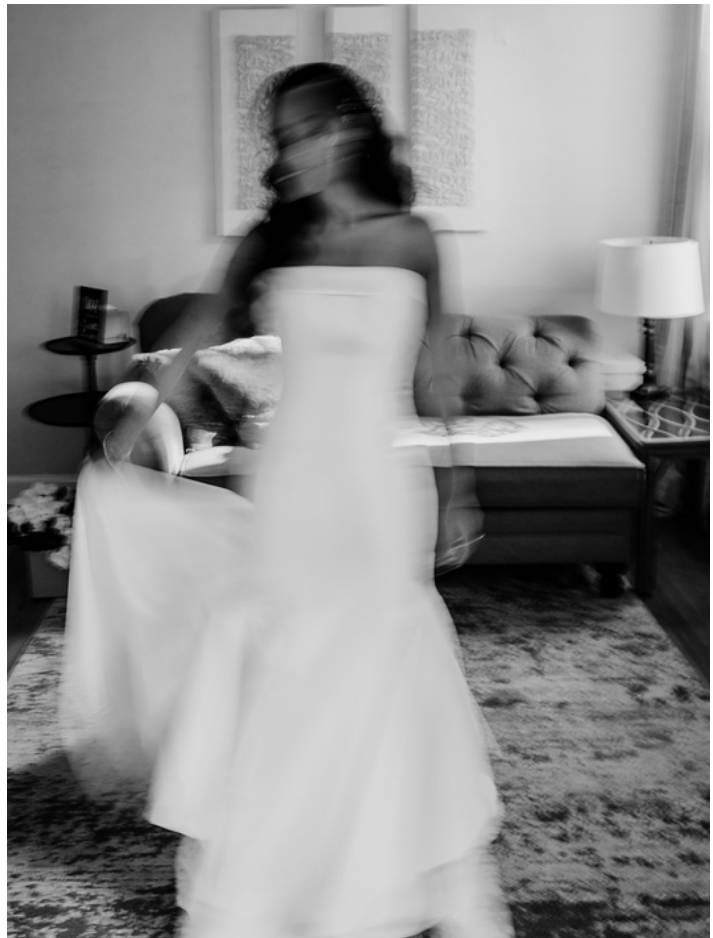

Laura and I bond over our love for Halloween, victorian houses, gardening and cool art. We both live in old homes and get especially excited for weddings that take place in historic venues.

Laura resides in Catonsville with her husband, two adorable kiddos who call me Aunt Bernie, two dogs and two cats!

THIS IS LAURA! EXCLUSIVE 2ND PHOTOGRAPHER FOR BDP!

Wedding party wrangler,
keeper of time and
dessert taste tester.

Here's a glimpse of what our time together will look like:

I'm here to be a true partner with you on this journey!

"We felt seen by
Brittany. Out of all
the photographers
we looked at, she
was the only one
who highlighted
couples who look
like us."

"I don't even know where to begin with Brittany. She's crazy talented and SO professional, which I valued so much. Her work is truly art. I cannot wait to fill the walls and shelves of my house with prints of our engagement shoot and wedding. Her style is moody and timeless - exactly what I was looking for. She was the only photographer of all the ones I talked to who made me feel at ease about her abilities and excited for our day. "Stop your photographer search right now and book Brittany! We knew from that very second that we made the BEST decision.

Brittany has such a talent that is so hard to describe, you just need to see it to believe it! She truly is incredible and the way she edits her photos are absolutely mind blowing. The way she tells a story is so interesting, the way she plays with shadows and lighting, it's moody and just downright cool as all get out."

-Colleen, 2021 Bride
